MERCURY

Mercury 2FA Recovery Kit

Store this somewhere safe (e.g. a safe, password manager, etc.)
Do **NOT** store these in your Google Drive, computer, or anywhere accessible with your email

Mercury will NEVER ask you for these over the phone, please do not share them with anyone.

Step 1

Check that you're on **app.mercury.com**

Step 2

Choose a backup code and enter it instead of your 2FA code

HAZY7STLHWNIA6A5	GFXGAOCONYU3AE4J
RPL56ZSCWDA33PPU	NUZRGH5XQSNK5RIM
SK6M5MUUMRUDESG3	FUEEV6I4CYAI2Z4L
HBOHUCWRJOVBPTRJ	AY3DLLJER2AANLNH

Cross off your backup code after using it
