Hi there,

Thanks for using our managed 83(b) election add-on!

We've received your 83(b) election form and will be mailing it to the IRS within 1-2 business days. We'll then upload your postmarked Certified Mail receipt to your document set and send you your package's tracking information the next business day (i.e. 2-3 business days from now).

Afterwards, we will continue to give you additional updates as we receive evidence that your 83(b) election has been received by the IRS.

If you have any questions, please don't hesitate to reach out.

Best,

The Clerky Team
