Senior Executive/International Advisor

SUMMARY

Over 25 years experience in positions of senior level management and leadership developing companies in a broad range of global industries and with multiple highly successful exits. Proficient in all major business disciplines as a well versed transparent leader whom excels in all environments. Majority of my career has been as either a business owner, an executive managing/building global business or working in an advisory/consulting role establishing effective protocols for success. Strong global relationships and specialized expertise in management, operations and business development. Directed multiple start ups, IPO's, investment/financing and large scale business development. Have managed companies with over 1,000 employees with responsibilities which include: capitalization, finance, hiring/training, construction, brand development, legal/accounting, strategic partnerships as well as marketing and advertising. Passionate leader with a special talent for communication and motivating teams towards specific goals and objectives. Thrives in turnarounds, startups, and other dynamic and demanding environments.
