Professional Experience

Chief Financial Officer

USA Exports Global – San Francisco, CA | Mar 2011 – Dec 2025

- Transformed the company from a start-up with $25K revenue to $287M, leading global market expansion, new product launches, and diversification strategies.
- Built and scaled a 23-member finance and accounting team, fostering a performance-driven culture that enabled rapid international growth.
- Negotiated supplier and vendor contracts to cut costs by 28%, while maintaining quality and operational excellence.
- Implemented NetSuite enterprise reporting platform, increasing transparency, speeding close cycles, and strengthening regulatory compliance.
- Restructured global debt, lowering financing costs and optimizing liquidity for sustainable expansion.
- Partnered with executive leadership to define long-term strategy, ensuring finance drove business objectives rather than followed them.
- Championed adoption of AI and analytics tools, improving forecasting accuracy and enabling data-driven executive decisions.

Section CFO

American Express – New York, NY | Apr 2008 – Feb 2011

- Directed strategic restructuring of debt and capital to increase liquidity and financial flexibility during a critical market period.
- Founded and scaled a bank regulatory reporting division, designing compliance processes from the ground up.

- Delivered actionable reporting and forward-looking analysis to senior executives and the board, directly influencing growth and risk strategies.
- Introduced cost-reduction measures that improved margins without compromising innovation or client service.
- Recruited and mentored a new finance leadership pipeline, ensuring continuity and succession readiness.

Controller

Credit Suisse Investment Bank – New York, NY | Jun 2007 – Mar 2008

- Led financial reporting and controls for global operations, strengthening the accuracy and reliability of management data.
- Drove compliance and governance improvements, ensuring adherence to evolving international regulations.
- Enhanced cost discipline by introducing variance analysis and performance monitoring for executive teams.

Controller

Citibank – New York, NY | Oct 2004 – Jun 2007

- Oversaw all aspects of treasury, tax, and accounting functions, ensuring fiscal integrity for high-value business units.
- Delivered timely and accurate financial insights that informed executive decision-making.
- Standardized reporting processes, reducing close time and improving data reliability.
- Partnered with senior management to align finance with business expansion strategies.

Finance Supervisor

Lehman Brothers – New York, NY | Jan 1997 – Oct 2004

- Directed budgeting, forecasting, and planning processes across multiple business lines, enabling informed strategic investments.
- Presented financial results and strategy recommendations to senior executives, shaping the firm's growth trajectory.
- Implemented cost-efficiency programs that enhanced profitability while maintaining operational capacity.
- Mentored junior finance staff, building a pipeline of future leaders.

Education

- **MBA,** – Harvard Business School, Boston, MA (2019 – 2021)
- **MBA, Finance** – University of Bridgeport, CT (1996)
- **BA, Economics & Business Administration** – Harvard University, Cambridge, MA (1990 – 1994)

Key Strengths

- Visionary leadership in scaling organizations and optimizing complex global financial operations.
- Skilled at integrating finance with business strategy to drive sustainable growth.
- Strong boardroom presence with proven ability to influence executive and investor decisions.
- Deep expertise in regulatory compliance, financial risk management, and corporate governance.
