PROFESSIONAL EXPERIENCE

Co-Founder & COO | Egyportia

August 2025 – Present

- Co-founded and oversee operations of a sourcing and export company specializing in agricultural products from Egypt to international markets.
- Lead end-to-end operations, including supplier sourcing, quality control, logistics coordination, and client relationship management.
- Manage international client accounts, ensuring timely delivery, compliance with contracts, and high service satisfaction.
- Develop and implement operational processes and workflows to optimize efficiency and scalability.
- Coordinate with local manufacturers and international buyers to negotiate terms, pricing, and contracts while maintaining confidentiality between parties.
- Drive business growth by identifying new market opportunities, expanding client base, and establishing strategic partnerships.
- Oversee financial management, including budgeting, cash flow monitoring, and cost optimization.

CEO & Founder | HelpLyncs, Egypt

April 2024 – Present

- Founded and lead a virtual staffing and outsourcing company, providing cost-effective, high-quality remote talent to clients worldwide.
- Oversee all aspects of operations, including business development, client acquisition,

talent recruitment, project management, and service delivery.
- Develop and implement strategic growth plans, expanding the client base and strengthening the company's social media and digital presence.
- Integrate AI and automation tools to optimize workflows, enhance productivity, and improve client experience.
- Build and manage a global talent pool of part-time and full-time remote professionals across multiple industries, ensuring top-quality service delivery.
- Lead client engagement through consultations, talent matching, trial periods, and full integration, resulting in high client satisfaction and retention.
- Drive business growth through strategic partnerships, marketing initiatives, and innovative outsourcing solutions, maintaining competitive pricing and a strong market position.

Business Development Executive | Midlands Language Solutions
February 2025 – August 2025

- Managed client acquisition and relationship-building efforts to drive revenue growth for language services, including translation, interpretation, and localization solutions.

Identified new business opportunities through market research, networking, and

- targeted outreach campaigns.
- Prepared proposals, presentations, and quotations tailored to client requirements, ensuring alignment with company capabilities.
- Coordinated with internal teams to ensure timely delivery of services and maintain high client satisfaction.
- Monitored sales performance and reported key metrics to senior management, providing insights to optimize business development strategies.

Administration Manager | Tanbo Food Ingredients S.A.E.
August 2023 – October 2024

As the Administration Manager at Tanbo Food Ingredients, I was responsible for overseeing all administrative functions related to the company's international exhibitions and visitor coordination. My key duties included:

- Exhibition Management: I organized three major exhibitions annually, located in the USA, Germany, and Japan. My responsibilities included end-to-end coordination of the booths, such as:
- Logistics: Arranged international flights and hotel bookings for board members.
- Coordination with Egyptian Authorities: Submitted necessary documents to the Egyptian General Organization for Exhibitions and Fairs (هيئة المعارض المصرية) both before and after each exhibition.
- Contractor Management: Liaised with exhibition contractors to ensure booth design and setup met company standards.
- Coordinated with booth designers to finalize the layouts, tools, and materials required for each exhibition.
- Sample Preparation: Worked with the production team to prepare and ship samples of dehydrated onions to the exhibitions. Ensured that product brochures, marketing materials, and giveaways were prepared on time and delivered.
- VIP Visitor Coordination: I managed logistics for high-profile visitors arriving from around the world, including:
- Arranged VIP airport services and transportation to ensure a smooth experience for

visitors.
- Booked hotel rooms through our corporate hotel agreements, often without requiring pre-reservation.
- Prepared custom giveaways for visitors upon arrival.
- Client Relations and Sample Shipping: Handled global client interactions, ensuring that samples of our products were delivered through DHL, FedEx, and Egyptian Mail Service. Addressed any issues or specific requirements from clients and reported them directly to the board members.

Planning Manager | Tanbo Food Ingredients S.A.E.
August 2023 – October 2024
As the Planning Manager, I was entrusted with ensuring the timely production and delivery of products. My key responsibilities were:

- Led end-to-end production planning to ensure the timely manufacturing and delivery of client orders, aligning production capacity with shipment schedules.
- Developed detailed monthly production plans outlining client requirements, order quantities, and delivery timelines.
- Managed all client contracts and purchase orders, ensuring full compliance with agreed terms, including shipment deadlines, fumigation standards, and palletization requirements.
- Acted as the primary point of contact for clients regarding shipment schedules, production updates, delays, and issue resolution.
- Coordinated closely with logistics teams to provide accurate ETAs and ETDs, book shipping containers, and calculate freight costs to ensure on-time delivery.
- Collaborated with quality assurance teams to complete client audits, assessments, and mandatory questionnaires in line with international standards.
- Designed and managed shipment labels customized to client specifications, ensuring compliance with international regulations and securing approvals prior to dispatch.
- Prepared and dispatched all required export documentation, including Movement Certificates, Phytosanitary Certificates, Waybills, Commercial Invoices, and Packing Lists, enabling smooth customs clearance.
- Participated in client meetings to discuss contract amendments, shipment adjustments, and corrective actions, successfully addressing client concerns and maintaining high service satisfaction.

Sustainability Executive | Tanbo Food Ingredients S.A.E.
August 2023 – October 2024

- Led sustainability initiatives across company operations, supporting the integration of environmental best practices into day-to-day processes.
- Conducted regular virtual training sessions and workshops with factory staff to increase sustainability awareness and educate teams on global sustainability trends, requirements, and standards.
- Participated in international sustainability assessments, working to align factory operations with recognized global sustainability frameworks and compliance criteria.
- Supported the implementation of more environmentally efficient processes by identifying gaps, recommending improvements, and monitoring corrective actions.

- Developed sustainability tracking and reporting mechanisms to measure progress against sustainability objectives.
- Prepared sustainability reports for senior management, providing insights, performance updates, and data-driven recommendations to improve the company's environmental impact.

Co-Founder* | *ScanMYA
November 2023 – February 2024

- Co-founded a creative fashion brand specializing in customized hoodies and t-shirts embedded with QR codes, enabling users to control the content displayed upon scanning.
- Managed all operational aspects of the business, including marketing strategy, influencer collaborations, and social media campaigns, ensuring high engagement and brand visibility.
- Oversaw the Shopify website development, ensuring seamless user experience, product listing accuracy, and integration with payment and shipping systems.
- Coordinated directly with manufacturing partners to ensure product quality, timely production, and compliance with design specifications.
- Developed and implemented pricing strategies aligned with market trends, product costs, and profit targets.
- Facilitated partnerships with influencers and key stakeholders to expand brand reach and drive sales.

Owner* | *Tec-Toc (Dropshipping Business)
April 2023 – November 2023

- Founded and operated a Shopify dropshipping store, handling end-to-end business operations, including marketing, sales, website development, finance, and recruitment.
- Designed and executed digital marketing campaigns, leveraging social media platforms to generate traffic, boost engagement, and convert followers into paying customers.
- Created, curated, and scheduled content across multiple social media channels to maintain brand consistency and attract target audiences.
- Monitored store performance using analytics tools, tracking key metrics such as sales, traffic, and conversion rates, and adjusted strategies accordingly.
- Developed operational workflows for order fulfillment, inventory management, and supplier coordination to ensure timely delivery and high customer satisfaction.

Data Entry Specialist* | *Kuwait Premier League (Media Department)
March 2023 – July 2023

- Entered and maintained accurate, structured data for football players, supporting analytics and reporting for the league's media and operations departments.
- Verified all player information and visuals to ensure accuracy, consistency, and alignment with analytical requirements.
- Collaborated with media and analytics teams to streamline data entry processes and improve efficiency.

Digital Marketing Specialist (Freelance)* | *Upwork, Freelancer, Fiverr
September 2022 – February 2023

- Designed, built, and managed websites on Shopify and WordPress, optimizing user experience, performance, and SEO.

- Managed multiple client social media accounts, creating content calendars, designing graphics, and executing campaigns to drive engagement and sales.
- Developed Excel-based tracking systems for campaign performance, budgeting, and content management.
- Provided clients with strategic insights and recommendations to improve digital presence, social media reach, and conversion rates.

Telemarketing Specialist* | *Property Business Solution, USA
July 2022 – September 2022

- Conducted outbound cold calls targeting homeowners to offer real estate services and facilitate property sales.
- Maintained accurate records of client interactions, follow-ups, and sales leads in the company CRM system.
- Analyzed lead quality and client responses to improve call scripts and outreach effectiveness.
- Left the role due to inefficiencies in the outdated system and limitations in data reliability.

Real Estate Agent | Belong Agency, Egypt
April 2020 – June 2021

- Developed and executed marketing campaigns across social media platforms to generate qualified leads for multiple real estate projects.
- Created, scheduled, and published engaging content to promote properties and drive inquiries from potential buyers.
- Organized and conducted site visits, providing clients with detailed property information, virtual tours, and personalized recommendations.
- Managed the end-to-end sales process, from initial client engagement to contract finalization, ensuring a smooth and professional experience for all clients.
- Negotiated deals and pricing with clients on-site, maintaining high client satisfaction and repeat/referral business.

HR Manager | Horira (Digital Services), Egypt
March 2019 – March 2020

- Managed the full recruitment lifecycle, including posting job advertisements, screening applications, conducting phone and in-person interviews, and negotiating salary offers.
- Worked directly with the CEO to identify staffing requirements and develop strategic hiring plans that supported company growth.
- Implemented HR processes and documentation to streamline onboarding, employee record-keeping, and performance tracking.
- Supported employee engagement and development initiatives to maintain productivity and a positive workplace culture.
